

Aloe Ace-Max™

2 capsules = 64 oz. of aloe juice!

60 capsules per bottle - 300 mg each

Price: \$69.95

From ancient times, Aloe Vera has been regarded as a master healing plant. The ancient Egyptians referred to it as the "plant of immortality" and included it among the funerary gifts buried with the pharaohs. It has been used since biblical times by many other cultures including the Greek, Roman, Indian and Chinese.

Aloe Ace-Max™ is manufactured using a new patented extraction process that allows it to contain up to 100 times more polysaccharides than any other Aloe or juice product on the market today. These polysaccharides are not digested in the GI tract, they are taken up into the cells intact.
